

Net2Phone Direct® Local Access Numbers

Make calls at the best rates!

For the best rates, use a local access number in the area you are dialing from when making calls. Please confirm with your phone service provider that you will not be charged for calls to this number.

Making calls with Net2Phone Direct is easy!

1. Dial your local access number. If a local access number is not available dial **1-800-840-7438 (U.S.)**.*
2. Listen for the greeting. At the prompt, enter your 10 digit account number and 4 digit PIN.
3. When prompted, dial 1 + area code + number for calls to the U.S. or Canada. For international calls, dial 011 + country code + city code + local number.

To make another call, don't hang up. Simply press the # key 3 times and dial the number you wish to call (Step 3) after the prompt.

You will hear your account balance each time you make a call.
