InnoMedia MTA 6328-2Re

Cost-Saving Plans

VoiceLine is a pre-paid VoIP service that enables you to save on both inbound and outbound calling, including faxing. Simply select the type of plan that will maximize your savings:

- Unlimited calling (inbound and outbound)
- Fixed / "bucket of minutes" calling
- A pay as you go model

With VoiceLine, you'll also receive popular calling features such as:

VoiceMail (can even be accessed on-line)
Caller ID
Call waiting
Reach me
Call return
Speed dial

Automatic callback
Anonymous call blocking
Call forwarding
Call transfer
3-way calling
Do not disturb

Telephone Numbers from Around the World

Benefit from having a telephone number from a different country, no matter where you reside. Choose telephone numbers from countries across the globe, including:

- | | | | | |
|-------------|---------------|---------------|---------------|----------------|
| • Argentina | • Denmark | • Japan | • Norway | • South Africa |
| • Austria | • El Salvador | • Lithuania | • Panama | • Spain |
| • Belgium | • Estonia | • Luxembourg | • Peru | • Sweden |
| • Brazil | • Finland | • Malta | • Poland | • U.K. |
| • Canada | • France | • Mexico | • Portugal | • U.S. |
| • Chile | • Georgia | • Netherlands | • Puerto Rico | • Vietnam |
| • Cyprus | • Hong Kong | • New Zealand | • Slovenia | |

For example, if you have friends, family and/or business contacts in Mexico, you can select a Mexico telephone number and your contacts can call you without incurring long distance charges.

Savings at Home and On the Road

To use VoiceLine, simply connect a regular phone to the InnoMedia MTA 6328-2Re VoIP telephone adapter which is attached to your broadband connection. When you are away from home, VoiceLine travels with you since your phone will ring wherever your telephone and adapter are connected to the Internet. Even if you don't have access to the Internet, you can place calls from any telephone, including your mobile phone, at low VoiceLine rates.
